

## Questionnaire for grade 11 parents

**Name of student** \_\_\_\_\_

What is the maximum amount of money (indicate US\$ or Indian rupees) which you can pay annually for college education and living costs for your child?

Without financial aid the typical annual budget will range from \$30,000 to \$45,000 in the US and CA\$20,000 to \$30,000 for Canada. Fees in UK are as much as US but the courses are shorter therefore total costs can work out cheaper. Australia, New Zealand, Thailand, Singapore and other countries vary in costs according to the courses applied for.

### Annual amount available USD \$ or rupees

Will you have difficulty arranging payment to the country of education? \_\_\_\_\_

What type of setting / locality would be preferred where choice is possible? \_\_\_\_\_

Rural     Small town     Suburban     Large city     No Preference

Do you have a preference for religious affiliations of the college / university?

Should be religiously affiliated .....  What religion ?  
 Should not be religiously affiliated .....  Does not matter

Parent's name and signature: \_\_\_\_\_
